English: Turn **ON** mouse. **Do not press Connect** button. Mouse is **ON** if LEDs are **ON**. Place mouse in Base Station to charge internal batteries.
Charging: Initially, all mouse LEDs blink green in sequence. **Charged:** All LEDs turn solid green.
Low Battery: First LED at bottom turns red.

Español: Encienda el ratón. **No pulse el botón** **ENCENDIDO** del ratón. El ratón está **ENCENDIDO** si los LEDs están **ENCENDIDOS**. Coloque el ratón en la estación base para cargar las pilas.
Carga en curso: al principio, todos los LEDs del ratón parpadearán en secuencia.
Carga completada: todos los LEDs del ratón estarán encendidos.
Pilas descargadas: el primer LED en la parte inferior estará una luz roja.

Français: Mettez la souris sous tension. **N'appuyez pas sur le bouton Connect.** La souris est **SOUS TENSION** si les LEDS sont **ALLUMÉS**. Placez la souris sur sa base pour recharger les batteries internes. **Chargement en cours:** au début, toutes les LEDS de la souris clignotent en vert les uns à la suite des autres.
Chargement terminé: tous les LEDS sont **ENCENDUS** en continu. **Piles faibles:** le LEDS situé en bas devient rouge.

Português: Ligue o rato. **Não prima o botão** **ENCENDIDO**. O rato está **LIGADO** se os LEDs estão **LIGADOS**. Coloque o rato na central para carregar as pilas internas. **A carregar:** inicialmente, todas as luzes dos LEDs do rato piscam à vez em sequência. **Carregado:** todas as luzes dos LEDs ficam verdes. **Pilha fraca:** A luz do primeiro LED na parte inferior fica vermelha.

English: Insert A in battery compartment. Keyboard is **ON** if LED is lit.
Español: Coloque la pila AA en el compartimento de las pilas. El teclado está **ENCENDIDO** si el LED está encendido.

English: To enjoy all the features of your product, you must install the software. Make sure you are connected to the Internet during installation. Check periodically for web updates in the Software software.

Español: Para disfrutar de todas las funciones del producto, debe instalar el software. Durante la instalación, el ordenador debe estar conectado a Internet. Compruebe periódicamente en el software Software si hay actualizaciones por Internet.

Français: Pour profiter pleinement de toutes les fonctionnalités de votre produit, vous devez installer le logiciel. Assurez-vous d'être connecté à Internet pendant l'installation. Vérifiez régulièrement la disponibilité des mises à jour logicielles de Software.

Português: Para utilizar todas as funções do rato e do teclado, instale o software. Verifique se o PC está ligado à Internet durante a instalação. Verifique regularmente a disponibilidade de atualizações para o Software Software.
